

For **All** WOMEN

A Campaign to Grow METHODIST WOMEN'S HOSPITAL

MORE THAN HEALTH CARE | Supporting Our Patients at the Bedside and Beyond

As a regional leader in women's health, we provide comprehensive care to **every patient** who comes through our doors. That starts with skilled and compassionate medical treatment — but goes well beyond.

To ensure the best possible outcomes, we are dedicated to identifying and meeting our patients' most pressing needs. When we step forward with **charitable care** and provide options, they can continue to focus on healing when they head home.

SERVING THE UNDERSERVED THROUGH:

- Access to social workers for all Methodist Women's Hospital patients
- Assistance with prescription costs
- Travel expenses for out-of-town families, including lodging and gas vouchers
- Home medical equipment for those in need
- Special car seats for premature babies
- Clothing Closet for unexpected clothing needs

A Stronger Start for Our Most Vulnerable

Of the almost 800 NICU babies we care for each year, **30 PERCENT** are covered by Medicaid.

In comparison, Medicaid covers just over **9 PERCENT** of the combined population of Douglas and Sarpy counties.
