“When you’re in a position like I was – you don’t know where to turn – and all of the sudden, somebody comes and says, ‘Let me help you,’ it’s more than amazing.”

– Grateful Employee

The Caring Coworkers Fund is supported by Methodist employees for Methodist employees.

— GREATEST NEED —

For **All** WOMEN

A Campaign to Grow METHODIST WOMEN'S HOSPITAL

EVERY WOMAN deserves individualized, compassionate health care throughout her lifetime. With your help, we can increase access for all women in our region.

- Add **14 NICU rooms**, reducing overflow to adult care areas
- Invest in **new technology**, including virtual NICU care platform
- Offer more support to **underserved patients** at the bedside and beyond

“The expansion means so much to me, and I think it means so much to people who’ve been in similar experiences. To be able to give back to a place that has changed our lives and has always been supportive of us, it just brings me so much happiness.”

– *Tori Peitz, NICU mom*
